Recording the duration of an absence or variation in attendance

In addition to recording the reason for an absence or the reason for a variation in attendance, the duration of the absence or variation must be recorded.

Manual Attendance Registers

Department of Education and Communities schools that maintain manual attendance registers and do not use electronic means for maintaining student attendance must use the following symbols with the appropriate attendance register code for recording the reason for absence or a variation in attendance:

- **a** - The student was absent on that day.
- **Pa** - The student was late or was absent for part of a day. The time of arrival or departure must be recorded.

**Note:** The symbol X is to be used for the first and last day that the student attended for each term.

Electronic Attendance Registers

For Department of Education and Communities schools using electronic means for maintaining student attendance (OASIS, EBS4 or compliant third party systems), when recording a partial absence, the precise time of arrival and/or departure must be documented.

When information is transferred to OASIS from other compliant electronic systems, or from manual attendance registers, whole day absence (a) will be shown as W and partial absence (Pa) will be shown as P.

2 Note: This only applies to Department of Education and Communities Schools.
